Informed Consent Form

Thank you for participating in our usability research.

As part of the Looking application testing, we would like to inform you that your session will be recorded. The purpose of recording your session is to enable Looking members who are unable to attend today to observe your session and benefit from your valuable feedback. We kindly request your consent to proceed with the recording.

Your feedback will be instrumental in guiding the development and improvement of the Looking application, and your contribution to this process is greatly appreciated. Please be assured that all recorded sessions will be treated with the utmost confidentiality and will only be accessible to authorized personnel.

Thank you for your participation and cooperation in this endeavor.

Please read the statement below and sign where indicated.

I have freely volunteered to participate in this experiment.

I have been informed in advance what my task(s) will be and what procedures will be followed.

I have been allowed to ask questions and have answered my questions satisfactorily.

I know I have the right to withdraw consent and discontinue participation at any time.

My signature below may be taken as an affirmation of all the above statements; it was given before I participated in this study.

I understand that my usability test session will be recorded.

I grant the Looking team permission to use this recording for internal use only, to improve the designs being tested.
